Earth

1998, India/Canada

**Starring: Nandita Das, Aamir Khan, Rahul Khanna, Hulbhushan
Khabanda, Kitu Gidwant
Director: Deepa Mehta**

Deepa Mehta directed this stirring tale about the religious and civil wars that broke out in India and Pakistan in the 1947 battle to gain independence from the British. The second movie in a trilogy from Mehta (it was preceded by Fire and followed by Water), Earth is based on the autobiographical novel Cracking India by Bapsi Sidhwa and is told through the eyes of a little girl, Lenny (Maia Sethna), who has one leg in a brace.
